| 20-foot lengths | 4 | 1,260 | 20,160 | 4 | 6.3% |
| | 6 | 520 | 8,320 | 4 | 6.3% |

*For full truckloads of some products, special short crates are combined with standard crates to attain the full truckload quantity.
Full truckloads of some individual Schedule 40 and 80 products may exceed trucking weight limits.
